Support Greater Chapin Community Foundation

Building a Permanent Endowment for Chapin

Greater Chapin Community Foundation (GCCF) brings together generous individuals, families, and businesses who are committed to strengthening the Greater Chapin community through local philanthropy.

As an affiliate of Central Carolina Community Foundation, the Greater Chapin Community Foundation partners with community leaders and is guided by a volunteer board of advisors to identify community priorities, support effective local organizations, and build lasting charitable resources for the area.

Grounded in strong local relationships and insights, GCCF is uniquely positioned to respond to current needs while investing in the long-term vitality of the Chapin community.

How Does It Work?

Local Giving. Lasting Impact.

Through its annual competitive grants process, Greater Chapin Community Foundation supports a broad range of charitable initiatives that uplift and strengthen organizations addressing critical needs across the Chapin area, with applications opening each September.

Since 2003, the Greater Chapin Community Foundation has granted over \$315,000 to nonprofits across Chapin, supporting essential services and community-driven solutions. Over the years, GCCF's grantmaking has supported local organizations in many ways, including student leadership opportunities, literacy initiatives, and flexible funding that helps nonprofits thrive.
